Covers UP received Popular Mechanics' prestigious 'Editor's Choice Award' at the 2003 National Hardware Show for outstanding achievement in new product design and innovation

COVERS UP™ Stain Sealing Ceiling Paint is a low odor aerosol that is a stain blocker and ceiling touch-up paint in one. Zinsser's stain blocking primer technology is incorporated into this new generation product offering a flat white finish that matches most new acoustical ceiling tiles and white ceiling paints. It seals water damaged ceilings and sprays vertically for ease of use. It's perfect for touching up spot damage when you don't want to repaint the entire ceiling.

One coat blocks water stains, graffiti, nicotine and smoke stains. If desired, **COVERS UP** may be top coated with a ceiling paint in just two hours.

- **13 oz. vertical aerosol for "overhead" projects**
- **Great hide - Won't yellow!**
- **Flat white finish matches most ceiling tiles**
- **Ideal for common overhead stains**
- **Quick cure for water stains**
- **Low odor - all purpose interior use**
- **Use under or over latex and oil base paints**

Great for:

- Acoustic Ceiling Tiles
- Painted Ceilings
- Crown Molding
- Valances
- Light Fixtures
- HVAC Ductwork & Vents
- Overhead Pipes & Conduit

Any overhead surface!
